**A GLOBAL
PLATFORM
FOR THE RICE
ECOSYSTEM**

Explore opportunities,
innovation &
collaboration as
India brings together the
world's rice industry
under one roof.

THINK RICE... THINK INDIA...

**9TH & 10TH,
JANUARY - 2026**

**MAIRA RESORT & CONVENTION CENTRE,
RAIPUR, CHHATTISGARH.**

About the Summit

The India International Rice Summit (IIRS) 2026 is a dedicated platform connecting the entire rice value chain. The event brings together exporters, policymakers, research institutions, technology providers, logistics partners & international buyers to exchange insights, forge partnerships & explore emerging opportunities across the global rice landscape.

Key Focus Areas

- Growth & competitiveness of India's Non-Basmati sector

- Promotion & global positioning of GI-tagged rice varieties

- Strengthening global collaborations & opening new market avenues

- Advancements in value-added & nutritional rice products, including FRK

- Innovations in processing, sustainability & supply chain optimisation

Enhance India's Non-Basmati export potential through strategy & innovation

Expand the international footprint of GI-tagged rice varieties

Identify export-ready varieties aligned with evolving global preferences

Summit Aims

- Facilitate business growth through exhibitions, B2B meetings & curated networking

- Deliver knowledge-sharing sessions on production, technology, climate resilience & market trends

Position India as a reliable hub for nutritional & fortified rice products
