Trading houses

Startups / Entrepreneurs

Business / Trading Consultants

Trade & Policy Advocacy Institutions / Academia

Logistics & Supply chain professionals

ASEAN Association of South East Asian Nations

Why ASEAN

India's bilateral trade with the ASEAN economies would double by 2025 to \$300 billion 01

ASEAN is the fifth largest trading partner for India following North America, EU, North-East Asia and GCC-West Asia 02

3rd Largest engineering exports destination 03

Engineering constitutes approx. 40% of India's exports 04

In total merchandise trade, ASEAN's share in India's export basket is 10.6% while in terms of engineering it is 15.3% 05

What we see during the Sessions

1

Knowledge dissemination

2

One day for each country – Doing business with country

3

Presentations / Address

4

Topical themes

5

Focus on International Government tenders

6

Sectoral focus

Takeaways

Participation in 12 Webinars
