## **Building the Blue Print for Better Food Systems**

'Hygienic Food and Beverage Industry' is now an imperative. It focuses on integration of cultivation and harvesting using Good Agricultural Practices, processing using Good Manufacturing Practices, and enrichment of nutritional value of processed food and beverages ensuring hygiene and food safety in each activity.

In furtherance of its initiatives to showcase India's capabilities in food and beverage industries, particularly in this region, Bharat Chamber of Commerce is organising the **'Three-Day - Agro, Food and Beverages Exposition and Conference 2025'**. This initiative is a part of the celebrations of the 125<sup>th</sup> Anniversary of the Chamber. The event will be held from **June 13 to 15, 2025 at the Netaji Indoor Stadium, Kolkata.**

### **Objectives:**

The objective of the Exposition is to showcase the country's capabilities in the agro, food and beverage sectors and to bring together a dynamic mix of stakeholders—food and beverage processors, producers of raw materials and typical ingredients for processing like spices, preservatives, fortifying agents, as well as, equipment and packaging materials. Besides, there will be opportunities for service providers in testing, quality assurance agencies, innovators, researchers, and consumers—from across India's diverse food and beverage landscape to highlight the latest developments in their respective spheres.

Health and safety and hygiene are two main priorities for food processing. The objective of the exposition and conference is to bridge the gap between the agricultural supply chains, food processing industries, food preserving ingredient manufacturers, cryogenic trends **in agriculture, food processing, beverage and packaging industries.**

With over 80 stalls and more than 50,000 expected footfalls of visiting buyers, the Exposition is an ideal meeting place for the speciality, food and beverage industry. The Exposition is the perfect opportunity for networking, building connections and carrying out business-to-business interactions.

### **The Exposition will help the Exhibitors to:**

- Display their Business models to some of the top authorities of the Departments of Food Processing of the Government of India and the State Governments, FSSAI, APEDA, Consular Corps to be invited by the Chamber to visit the stalls.
- Make contacts and meet some of the biggest names in the food processing industry.
- Take the opportunity to discuss industry news, tips, tricks, and developments with like-minded professionals.
- Attend the Technical and other Sessions of their choice at the Conference in the same venue.

The Sessions of the Conference at the venue will also provide opportunities for stall-holders to:

- Learn about the new developments and cutting-edge advances in revisiting the importance and techniques of ensuring hygiene, testing requirements and techniques, and quality standards in food and beverage industries.
- Get acquainted with the latest innovations in food processing and beverage production equipment.
- Become aware of global benchmarks of quality standards in food processing and beverage industries.
