

## **INDIA INVESTMENT GRID (IIG)**

New India has emerged as the world's leading investment destination. The India Investment Grid (IIG) showcases a menu of investment options across India on a single interactive platform. An initiative to enhance the ease of doing business IIG connects potential investors to projects, promoters across India.

India Investment Grid (IIG) is an online platform developed by the Government of India to showcase investment opportunities across India. This is a critical initiative to promote investments in India.

IIG is an interactive and dynamic web portal, and allows investors to:

- Search a Pan-India database to identify investment opportunities catalogues by sectors, states, and government schemes;
- Track progress of preferred projects, and indicate their interest in them;
- Communicate directly with project promoters.
